## Web Developer

Fresh Meadows, NY  
andrew.chung159@gmail.com - 516-544-8075

Self-taught web developer with experience using HTML, CSS, Ruby, and Rails.

Seeking junior roles while continuing to learn JavaScript and jQuery.  
Authorized to work in the US for any employer

### WORK EXPERIENCE

#### Web Developer

Self Employed - November 2014 to Present

- Learned HTML, CSS, Ruby, Ruby on Rails, and web development fundamentals by following an in-depth curriculum provided by The Odin Project
- Developed a social blogging app inspired by Facebook and Twitter with user account setup and modification, feeds showing all friends' posts, user profile pages, and login using OmniAuth and Facebook's API
- Created command line versions of Tic Tac Toe, Connect Four, and Mastermind using Ruby and incorporating principles of object-oriented programming
- Focusing on learning JavaScript, jQuery, and a JavaScript framework

#### Associate, Account Servicing

Lord, Abbett & Co. LLC - Jersey City, NJ - October 2011 to November 2014

- Reconciled management fees and research fee discrepancies by analyzing payment backup data and collaborating with the Finance, Sales, and Billing departments of various sponsor firms
- Performed client suitability review for all managed accounts by identifying critical suitability elements, analyzing clients' financial situations, and working with financial advisers to ensure clients' intentions are fully realized
- Interfaced with clients via email and the main managed accounts phone line and provide prompt attention in addressing any inquiries and concerns
- Prepared fee summaries and ad hoc fee requests for firm partners in Sales/Marketing/Operations
- Coded termination, liquidation, and withdrawal requests from sponsor firms in APL
- Performed reviews of RIA firms and brokers to ensure FINRA, SEC, and OFAC eligibility to conduct business
- Coordinated daily efforts with the Portfolio Administration, Middle Office, and Client Service Teams in order to guarantee accounts meet trading deadlines

#### Senior Instructor

S.P. Education - Flushing, NY - June 2008 to June 2013

- Tutored students in SAT I, SAT II, SHSAT and New York State Regents Examinations
- Provided detailed lesson plans on a weekly basis tailored to clients' needs
- Installed computer hardware, application software, and printers
- Performed basic hardware and network troubleshooting
- Trained and familiarized new instructors with teaching materials and office equipment
